Limited Availability Book Your Appointments Now!!

enjoy cocktails and the cutting edge technology of Windows SideShow

Value Added Vista Engineering
Meet the VAVE Family

Dock your VAVE100 Sideshow Universal remote into the SoundVAVE and while charging, stream audio from your Vista PC. Should the VAVE100 be occupied controlling A/V devices, dock a MP3 player into the SoundVAVE and enjoy the music. The entire room does not care to hear Beethoven? Not a problem, sync your VAVE100 with your VAVEPS headset. Don't have a VAVE100 and want to control Windows Vista Media Center on your PC? The VAVExpress remote to the rescue!! The VAVE Family allows constant access to the media on your MCE/PC from virtually anywhere in the home or office, allow the entire VAVE Family to connect you to life.

The  is coming, are you Ready?
